

As a major financial institution, we strive to think and act in a truly international dimension. We span 50 countries and give growth opportunities to people who share our excitement for constantly building on the diversity of our local roots and strong European presence.

Bank Austria has been a member of UniCredit, one of the largest European banking groups, since 2005. Being the bank with one of the strongest capital bases among the large banks in Austria we aim for excellence and strive to achieve maximum customer satisfaction. Bank Austria is a modern and dynamic universal bank offering its customers access to international financial markets. Therefore we consistently invest in the development and motivation of our employees.

ICT-Compliance is the main counterpart for projects and initiatives concerning ICT-Requirements from a Compliance perspective. This includes project support and reviewing ICT Security Concepts as well as internal alignment with UCBA Legal and UCBA Compliance.
