

Grow with us. Support excellent research.

IST Austria is a constantly growing international institute for conducting frontier research in the life, physical, and formal sciences, located in Klosterneuburg on the outskirts of Vienna. As employees of the administration and the Scientific Service Units, we strive to support IST Austria's scientists in performing excellent research.

Project Technician

FULL TIME (40h)

We are looking for a Technical Project Assistant to join the team of **Dr. Anna Kicheva** working on vertebrate nervous system development. We seek motivated candidates with expertise in mouse genetics or related field to support research activities in the lab. We offer opportunities to develop new tools and techniques within an interdisciplinary research program. Are you interested in how your future working place may look like? This [video](#) provides a bird's eye view of IST Austria.

Responsibilities

- Provide support with scientific experiments and research projects that involve mouse embryos
- Assist with the maintenance of mouse colony, breeding and handling of mice, including euthanasia and injections
- Provide support with tissue culture, molecular biology and generation of transgenic mouse and cell lines
- Provide organizational support within an interdisciplinary team
- Train new lab members

Requirements

- University degree or vocational training in related field
- Extensive laboratory work experience in mouse genetics, developmental biology or related field
- Excellent organizational and communication skills
- Ability to work independently within a scientific environment
- Very good command of English (working language)

IST Austria

- Offers challenging positions in a dynamic and growing organization
- Supports learning and development
- Provides flexible working times and numerous fringe benefits
- Promotes an international and open culture
- Supports an appreciative and respectful work environment
- Values diversity and is committed to equality
- Free Shuttlebus for employees (Departing from Heiligenstadt, travel time: about 22 min.)
